*Re: Petition of the Cape Light Compact for Certification of its amended Energy  
Efficiency Plan for the calendar years 2005 through 2007, D.T.E. 05-34*

Dear Secretary Cottrell:

I am writing to inform the Department of Telecommunications and Energy (the "Department") that the Town Manager for the Town of Barnstable, supports the Cape Light Compact's Energy Efficiency Plan ("EEP"), Phase III, 2005-2007 (the "Phase III Plan"). Since the Cape Light Compact's original EEP and EEP Phase II were approved by the Department, the Town of Barnstable has experienced substantial benefits from its programs, including [distribution of energy efficient bulbs at our annual meetings, easy sign-up for residential home energy audits, and systematic analysis of our opportunities for energy savings in all of our town buildings]. On behalf of the Town of Barnstable, I am urging you to conduct an expeditious review of the Phase III Plan, and to approve the Phase III Plan in its entirety.

Sincerely,  
*Electronically Signed*
